CHARACTERISTICS OF GEM OF STOCK EXCHANGE

The Growth Enterprise Market (“GEM”) of the Stock Exchange has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

3. THE REPURCHASE MANDATE

The existing general mandate granted to the Directors to repurchase Shares by the Shareholders on 12 May 2017 will lapse at the conclusion of the AGM.

At the AGM, an ordinary resolution will also be proposed to grant to the Directors to exercise all powers of the Company to repurchase Shares on the Stock Exchange up to a maximum number equivalent to 10% of the number of issued Shares as at the date of the passing of the resolution granting of the Repurchase Mandate.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the Company has an aggregate of 1,300,000,000 Shares in issue. LETTER FROM THE BOARD

Pursuant to article 84(2) of the Articles, a retiring Director shall be eligible for re-election and shall continue to act as a Director throughout the meeting at which he retires. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of Directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Director appointed by the Board pursuant to article 83(3) of the Articles shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

Pursuant to article 83(3) of the Articles, any Director appointed by the Board to fill a causal vacancy shall hold office until the first general meeting of members of the Company after his appointment and be subject to re-election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.

9. VOTING AT THE AGM

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of the Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the resolutions to be considered and, if thought fit, approved at the AGM will be voted by way of a poll by the Shareholders. An announcement on the poll results will be made by the Company after the AGM, in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules, on the results of the AGM.

10. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Accordingly, the Directors recommend all the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

12. GENERAL INFORMATION

Your attention is also drawn to the information set out in the appendices to this circular.

Yours faithfully,

By order of the Board

Hao Bai International (Cayman) Limited

Nam Ho Kwan

Chairman and Executive Director

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with the requisite information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to approve the grant of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, a total of 1,300,000,000 Shares were in issue. As at the Latest Practicable Date, the Company did not have any outstanding options, warrants and convertible securities to subscribe for the Shares.

Assuming that no further Shares are issued or repurchased during the period from the Latest Practicable Date until the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 130,000,000 Shares representing not more than 10% of the number of the issued Share of the Company as at the Latest Practicable Date.

2. REASONS FOR REPURCHASE

The Directors have no present intention to repurchase any Shares but the Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the Company's net asset value and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. SOURCE OF FUNDS FOR REPURCHASE

The Company is empowered by the Articles to repurchase its Shares. In repurchasing the Shares, the Company may only apply funds legally available for such purpose in accordance with the GEM Listing Rules, the Memorandum, the Articles, the Companies Law and all other applicable laws, rules and regulations, as the case may be.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange in effect from time to time.

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

As compared with the position disclosed in the audited consolidated financial statements of the Group as at 31 March 2017, the Directors consider that there could be a material adverse impact on the working capital and on the gearing level of the Company in the event that the proposed repurchases under the Repurchase Mandate were to be carried out in full during the proposed repurchases period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

4. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the proposed resolution for the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws and regulations from time in force in the Cayman Islands.

5. CONSEQUENCES UNDER THE TAKEOVERS CODE

If, as a result of a repurchase of the Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any such consequence which may arise under the Takeovers Code if the Repurchase Mandate is exercised.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, Harmony Asia International Limited held 731,250,000 Shares, representing approximately 56.25% of the issued share capital of the Company. Harmony Asia International Limited is wholly-owned by Mr. Nam Ho Kwan ("**Mr. Nam**"). By virtue of the SFO, Mr. Nam is deemed, or taken to be, interested in the Shares held by Harmony Asia International Limited in the Company.

If the Repurchase Mandate is exercised in full (and assuming that the issued share capital of the Company remains unchanged from the Latest Practicable Date up to the date on which the Repurchase Mandate, if approved by the Shareholders, is exercised in full), the total number of the Shares which will be repurchased pursuant to the Repurchase Mandate shall be 130,000,000 Shares (being 10% of the total number of issued Shares as at the Latest Practicable Date). The shareholding percentage of the Controlling Shareholders will be increased to approximately

APPENDIX I EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

62.50% of the issued share capital of the Company immediately following the full exercise of the Repurchase Mandate. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors will not exercise the Repurchase Mandate if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the GEM Listing Rules).

6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange from the Listing Date to the Latest Practicable Date were as follows:

	Price per Share	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2017		
May (from the Listing Date)	0.220	0.177
June (up to the Latest Practicable Date)	0.208	0.166

7. SHARE REPURCHASES MADE BY THE COMPANY

Save for the repurchase of Shares for listing purpose as disclosed in the paragraph headed “A. Further Information about the Company” in Appendix V to the prospectus of the Company dated 16 May 2017, no repurchase of Shares had been made by the Company (whether on the Stock Exchange or otherwise) in the 6 months preceding the Latest Practicable Date.

8. GENERAL INFORMATION

No core connected person (as defined in the GEM Listing Rules) has notified the Company that he/she has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is exercised.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) has any present intention, in the event that the proposed resolution for the Repurchase Mandate is approved by the Shareholders, to sell any of their Shares to the Company.
